

# MASSACHUSETTS RIVERS AND WETLANDS MONTHS CALENDAR FOR 2013

**MAY IS WETLANDS MONTH**, and **JUNE IS RIVERS MONTH**! This calendar, covering river-and wetland-related events in Massachusetts from **Saturday, April 27** to **Thursday, July 4**, has been compiled by the **Mass. Department of Fish and Game's Division of Ecological Restoration (DER)** to provide you with the opportunity to participate in events in, on, along and about the rivers and wetlands of the Commonwealth. Take this opportunity to invite your friends, family, local leaders, legislators, and/or a favorite reporter to clean up, paddle, protect, enjoy and celebrate your favorite rivers, streams, salt marshes and freshwater wetlands, or experience new ones. Get some healthful exercise in and/or along the Commonwealth's many scenic waterways and marshes.

The events below are listed in chronological order and are labeled with the [Massachusetts river or watershed](#) the activity takes place in or on. Many activities require reservations in advance. Please call/e-mail ahead to inquire about any restrictions, fees, rain dates or cancellations that may apply. Any questions should be directed to the event organizers at the contact phone numbers and/or e-mails provided for each listing.

If you know of an event that is not listed on this Calendar but should be, send the info along to Russ Cohen at [Russ.Cohen@state.ma.us](mailto:Russ.Cohen@state.ma.us), and he may be able to add it. You may also want to **re-visit this Calendar from time to time** to look for any newly-added events, updated info, etc. [*this Calendar was most recently updated on 5/22/13.*] Lastly, don't forget to check out the **Mass. Executive Office of Energy and Environmental Affairs' [The Great Outdoors Blog](#)** for more info on these and other outdoor events and activities.

**April and May weekends (Saturday and Sunday) – CONCORD RIVER – *Whitewater Rafting Trips*** in Lowell, 9:00 AM and 1:00 PM, sponsored by the [Lowell Parks and Conservation Trust](#) and [Zoar Outdoor](#). This whitewater gem plunges over three major Class III - IV rapids - Twisted Sister, Three Beauties, and Middlesex Dam. Each trip includes two runs down the Lowell reach of the Concord. Adventurous rafters 14 and older are welcome. Your trip concludes with passage through an 1850's lock chamber that brings you right into downtown, seeing the city like never before. A portion of the proceeds support the Trust's work on the Concord River. Call (800) 532-7483 for reservations, or click [here](#) for more info or to view the slide show or [video](#).

## April 27 – May 3

**April 27 (Saturday) – STATEWIDE – *Park Serve Day***, sponsored by the [Mass. Department of Conservation and Recreation](#) (DCR). Rescheduled from April 20, Park Serve Day is an opportunity to pitch in and help spruce up the Commonwealth's forests and parks. "During this statewide day of volunteer service, we will work together to get parks and beaches across Massachusetts by cleaning coastlines, clearing trails, planting flowers,

painting picnic tables, and more.” Click [here](#) or [here](#) for more info on [opportunities to participate in a Park Serve Day activity near you](#).

**April 27 (Saturday) – STATEWIDE – 7th Annual “Work for Wildlife” Statewide Volunteer Day**, 9:00 AM – 12:00 Noon, sponsored by the [Massachusetts Audubon Society](#). You’re invited to pitch in on projects at fifteen of Mass. Audubon’s sanctuaries, almost all of which include rivers, streams and/or wetlands. Many projects can accommodate people of all ages, so bring your family or a group of friends and spend a morning working for wildlife. No special skills required – just a desire to make a difference while enjoying the outdoors. Click [here](#) or [here](#) for more details and to sign up to volunteer on 4/27, and click [here](#) for info on other volunteer work opportunities at Mass. Audubon sanctuaries.

**April 27 (Saturday) – HOUSATONIC RIVER – “Love Your Landmark” Annual Workday** at [Bartholomew’s Cobble](#) in Sheffield, 9:00 AM – 12:00 Noon, sponsored by The Trustees of Reservations. “Join us at our only National Natural Landmark in the Berkshires to learn what you can do during the spring months to help care for this crown jewel, as well as the trails and open spaces in your own backyard. Because Sheffield and Bartholomew’s Cobble is such an exceptional place for rare native plants, it’s a great place to learn how to protect their habitats. We hope you will leave energized to protect the native species in your own backyard or neighborhood. Enjoy a pizza lunch, compliments of the Bartholomew’s Cobble committee.” Click [here](#) or call (413) 229-8600 to sign up or for more info.

**April 27 (Saturday) – HOUSATONIC RIVER – Earth Day Work Party at the Old Mill Trail** in Dalton and Hinsdale, sponsored by the [Housatonic Valley Association](#) (HVA). Meet at 9:00 AM at the Old Mill Trailhead (opposite the Hinsdale Trading Company), Old Dalton Road in Hinsdale. “Help us clean up the trail ready for the new hiking season! Pick up trash & debris, replace lost markers, and remove invasives. Hinsdale Trading Company is providing some munchies. We will bring tools, trash bags and work gloves. If you want to bring a few of your own, please do!”. The approximate end time is 1:00 PM. Click [here](#), call (413) 394-9796 or email [Alison Dixon](#) or [Dennis Regan](#) for more info and to let them know if you are coming.

**April 27 (Saturday) – LENOX MOUNTAIN BROOK (HOUSATONIC WATERSHED) – Garlic Mustard Grapple** at [Stevens Glen](#) in Richmond, 9:00 AM – 3:00 PM, sponsored by the [Berkshire Natural Resources Council](#). “Join us for the morning or afternoon to help with some easy weeding! Garlic mustard is a non-native species that out-competes native wildflowers and sapling trees. By volunteering a few hours of your time, you can help restore the natural habitat at Stevens Glen. Learn how to identify and eradicate an invasive plant that may exist on your property! Sample garlic mustard pesto!” Click [here](#) for more info.

**April 27 (Saturday) – WESTFIELD WATERSHED – First Annual Pioneer Valley Outdoor Fair** in Westfield, 9:00 AM – 3:00 PM. Come meet clubs and organizations from across the Pioneer Valley who know how to enjoy the outdoors. Participate in a day full of free outdoor fun for the whole family, including a variety of hikes for all ages, nature activities for kids, birding excursions for adults, and much more. More than a dozen active outdoor organizations will have information tables and will offer outdoor activities throughout the day. (For example: the [Westfield River Watershed Association](#) is sponsoring two activities: macroinvertebrate collection/identification and storm drain decal installation). The fair’s main location is at [Scanlon Hall at Westfield State University](#), and the hiking, biking, etc. trips will leave from/return to there. Click [here](#) for more info.

**April 27 (Saturday) – QUINEBAUG WATERSHED – Claire Birtz Sanctuary History Hike**, 10:00AM – 12:00 Noon in Southbridge, sponsored by the [Opacum Land Trust](#). “Alan Smith, archaeologist & geologist, will lead us on a historical journey through the past use of this beautiful property. We will be exploring the old cellar hole and mill site at the southern end of the property. We’ll view the colonial dam and the associated dry laid stone foundations. Enjoy the natural woods and learn about the heritage of this property by looking at the previous land use and ownership. The Claire Birtz Wildlife Sanctuary is 116 acres of beautiful New England countryside. Habitats you will observe here include upland hardwood forest, a red maple swamp, and vernal

pools, as well as the Sanctuary's most striking feature, Morse Pond, 40 acres in size, and the adjacent five acre freshwater marsh." Meet at the trailhead, located just off Route 169 (North Woodstock Road) on Tipton Rock Road, in Southbridge, just north of Morse Farm Stand. Fee: Members are free, \$5 for non-members. Click [here](#), call (508) 347-9144 or e-mail [info@opacumlt.org](mailto:info@opacumlt.org) for more info.

**April 27 (Saturday) – FRENCH RIVER (FRENCH and QUINEBAUG WATERSHED) – *Annual French River Cleanup*** in Webster, 8:30 AM start, sponsored by the [French River Connection](#). "Meet at the Webster Town Hall. Gloves, bags, etc. will be provided, and assignments will be given. It looks like good weather for this annual event, so try and plan an hour or two to remove trash that might eventually get into the river. And remember, you can always get good exercise by picking up trash any time of the year!" This activity is part of the [Webster-Dudley Business Alliance's Earth Day Cleanup](#). Contact Ed Bazinet at (508) 943-5509 or [frenchriverconnection@gmail.com](mailto:frenchriverconnection@gmail.com) for more info.

**April 27 (Saturday) – FRENCH RIVER (FRENCH and QUINEBAUG WATERSHED) – *French River Paddle from Oxford to Dudley***, sponsored by the [Worcester Chapter of the Appalachian Mountain Club](#). Nature lovers, don't miss this one! 7-8 mile leisurely scenic paddle packed with plenty of nature's creatures including turtles, beavers, muskrats, ducks, and more. Participants must have a workable PFD free from rips and/or tears. Lunch, snacks, and at least 32 ounces of water required. Some brief portaging may be necessary. All participants must register. Click [here](#) or contact trip leader [Elaine Cibelli](#) [(508) 832-9060 before 9 PM] to sign up or for more info.

**April 27 (Saturday) – BLACKSTONE and MUMFORD RIVERS – *Manchaug to Blackstone Road Bike Ride***, sponsored by the [Worcester Chapter of the Appalachian Mountain Club](#). A scenic, 25-mile round trip ride through the Mumford and Blackstone River Valleys from Manchaug to Blackstone Gorge on the MA/R.I. state line, mostly following (or paralleling) Route 122. The tops of the rolling hills should provide outstanding views across the valley before the trees leaf out. Contact trip leader Colleen McLaughlin [(508) 333-6025, [amc\\_ne@yahoo.com](mailto:amc_ne@yahoo.com)] or co-leader Denny Laforce [[jadehill3@verizon.net](mailto:jadehill3@verizon.net)] to sign up or for more info.

**April 27 (Saturday) – BLACKSTONE WATERSHED – *24th Annual Earth Day Cleanups***, 8:00 AM – 12:00 Noon, sponsored by the Regional Environmental Council. Click [here](#) for more info.

**April 27 (Saturday) – BLACKSTONE WATERSHED – *Earth Day Cleanups***, 8:30 AM start, sponsored by the [Greater Worcester Land Trust](#). This year the Trust will be focusing its efforts on two locations: Broad Meadow Brook Savannah, part of the [Mass Audubon's Broad Meadow Brook Wildlife Sanctuary](#); and [Cascades East](#), a Worcester Conservation Commission property. There will be a jovial BBQ afterwards for everyone to share their war stories at the [Lodge at Cascading Waters](#). Contact [mary@gwlt.org](mailto:mary@gwlt.org) for more info.

**April 27 (Saturday) – BAKER BROOK (NASHUA RIVER WATERSHED) – *Clean Up at Coolidge Park and Baker Brook*** in Fitchburg, 1:00 PM – 4:00 PM, sponsored by the [Nashua River Watershed Association](#) (NRWA). NRWA will lead the first annual "Local Streams Awareness Week 2013: Focus on Baker Brook and Coolidge Park in Fitchburg" on April 27th, in partnership with the City of Fitchburg and Fitchburg State University (FSU). The focus of this project is to bring awareness to lovely Baker Brook, and to encourage stewardship of this valuable resource. Volunteers are needed to help pick up trash, paint picnic benches, and take other action to spruce up the park and brook. This is a great opportunity for families, youth groups, church groups, local business employees, and others to participate in community service, cleaning up the Brook and helping to ensure that Coolidge Park remains a great community gathering place. If you can't make it that day, maybe you can donate store-bought snacks, or a rake, or gloves. Click [here](#) or contact Kathryn Nelson, NRWA Water Monitoring Coordinator, at [KathrynN@NashuaRiverWatershed.org](mailto:KathrynN@NashuaRiverWatershed.org) to sign up or for more info.

**April 27 (Saturday) – SHAWSHEEN RIVER – *Shawsheen River Greenway Dedication Ceremony & Hike***, sponsored by the [Shawsheen River Watershed Association](#) (SRWA) and the [Andover Village Improvement Society](#) (AVIS). "Please join us for the dedication of the first section of the Andover Greenway.

Over the past two years, volunteers have been working long hours and using heavy labor to improve both the Vale Reservation and the Shawsheen River Reservation. A short hike will leave the [Ballardvale Commuter Rail Station](#) (196 Andover Street in Andover) parking lot at 1:00 PM to explore the southern end of the Greenway. Those interested in a longer hike should meet at 12:30 PM at the intersection of Central Street and Abbot Bridge Drive to take the approximately 1.4 mile hike through the Shawsheen River Reservation and the Vale Reservation. Both hikes return to the north end of the commuter parking lot, where the dedication ceremony begins at 2:00 PM.” The SRWA will have canoes available to enable you to paddle back with them to Central St. following the ceremony. Click [here](#), [here](#) or contact John Hess at [hess.john@att.net](mailto:hess.john@att.net) for more info.

**April 27 (Saturday) MERRIMACK AND PARKER RIVERS – “Stormwater Faire” for Elementary School Children and their Parents**, 9:00 AM – 12:00 Noon, at the [Parker River National Wildlife Refuge Visitors Center](#), Plum Island Turnpike in Newburyport. Learn how to keep our ponds, rivers, and ocean clean, and to respect the creatures that live there. Earn a “Junior Clean Water Protector Badge”. Participating organizations include the U.S. Fish & Wildlife Service, Blue Ocean Society, Parker River Clean Water Association, Boat Camp Nature School, the U.S. Coast Guard Auxiliary, the Merrimack River Watershed Council and the Gulf of Maine Institute. **April 27 (Saturday) – CEDAR SWAMP (NORTH COASTAL WATERSHED) – Big Walk Through the Manchester-Essex Woods**, 12:30 PM start, sponsored by the [Manchester-Essex Conservation Trust](#). A guided hike through the [Wilderness Conservation Area](#), along the old woodland road between the two towns. The Big Walk Through the Woods brings families, friends and neighbors together along the old woods road linking Manchester and Essex. Start from either end, meet at the town boundary for refreshments, a nature treasure hunt for children, and entertainment by Daisy Nell and Captain Stan. If you complete the walk-through, a shuttle will return you to your car. The entire walk is about 2 miles long. (Rain date - April 28) This event is free and open to the public. Click [here](#) for more info.

**April 27 (Saturday) – SAUGUS RIVER (NORTH COASTAL WATERSHED) – Earth Day Cleanup at the Breakheart Reservation** in Saugus, 10:00 AM – 12:00 Noon, co-sponsored by the [Saugus River Watershed Council](#), [Friends of Breakheart Reservation](#) and the [Mass. Department of Conservation and Recreation](#). Help clean up [Breakheart Reservation](#) and other sites in Saugus. This event is part of a statewide [Park Serve Day](#) to help get parks cleaned up for the season. Volunteers will work on projects at Breakheart Reservation, and if there are enough participants, small groups will work in other nearby locations within the Saugus River watershed. Please stop in at the Saugus River Watershed Council's table in front of the Breakheart Visitor's Center to sign up for a volunteer work area and pick up gloves and bags. Sturdy shoes and clothes that can get dirty are recommended. Rubber boots may be helpful for some locations. Meet at the [Breakheart Visitor Center](#), 177 Forest Street, Saugus. **April 30 (Tuesday) – CAPE AND ISLANDS WATERSHED – *Wastewater Planning on Cape Cod: What Are Different Towns Doing?*** workshop, 9:00 AM - 3:30 PM in Hyannis, sponsored by the [Waquoit Bay Reserve Coastal Training Program](#). This workshop will provide an opportunity to learn about where each Cape town is at in their wastewater/water management efforts. Each town will provide a status update on their actions, experiences, lessons and next steps. Towns that share watersheds will discuss collaboration opportunities

and needs, as well as ways to draw from each other's efforts to enhance public education and community engagement. This forum will complement ongoing efforts to share information among towns and further expose town officials, board members and other interested persons to the suite of wastewater-related activities in progress across the region. The workshop offers local officials a face-to-face extended session to hear from their peers and together brainstorm ways to continue building and supporting wastewater planning and education efforts. While there is no cost to attend this workshop, pre-registration is required. Click [here](#) or contact Tonna-Marie Rogers, Tonna-Marie Rogers, Coastal Training Program Coordinator, at (508) 457-0495 ext. 110 or [tonna-marie.surgeon-rogers@state.ma.us](mailto:tonna-marie.surgeon-rogers@state.ma.us) to sign up or for more info.

**May 1 (Wednesday) – CONNECTICUT RIVER – *Wildflowers at Arcadia***, 9:00 AM - 12:00 Noon, sponsored by Mass. Audubon's Connecticut River Valley Sanctuaries. "Enjoy a spring morning walk along the trails of Mass. Audubon's Arcadia Wildlife Sanctuary, observing the beautiful spring wildflowers. At this time of year we hope to see a variety of beauties such as bloodroot with its orange-red juice, thus giving it its name, dutchman's breeches, squirrel corn, and trout lily." Instructors are botanists Connie Parks and Janet Bissell. Fee: \$5/members, \$8/nonmembers. Click [here](#) or call (413) 584-3009 to sign up or for more info.

**May 4 (Saturday) – HOUSATONIC RIVER – *Beginner bird walk at Housatonic Flats*** in Great Barrington, 8:00 AM – 10:00 AM, sponsored by the [Berkshire Natural Resources Council](#) (BNRC). Join BNRC staff at the Housatonic Flats Reserve for a 2-hour stroll at this promising birding site. Terrain is flat, level ground along the Housatonic River. Wear long pants and shoes; bring water and a snack. “This walk will help take you from feeder birds (blue jays, chickadees) to the birds of field and forest. It’s the perfect forum for a beginner to ask all his/her bird questions. Can’t tell a robin from a crow? No shame – we’ll show you how we do it. After just one walk you’ll amaze your friends with cheap birding tricks!” Housatonic Flats is on Route 7 in Great Barrington, just north of the WSBS radio tower, right across the street from Bridlewood Home Furnishings (434 Stockbridge Road). Currently the site has no signage, though a temporary “Event” sign will be posted there that day. Click [here](#) or contact Doug Bruce at (413) 499-0596 or [dbruce@bnrc.net](mailto:dbruce@bnrc.net) for more info.

The [Jurassic Roadshow](#) is a team of experts who will share their fascinating collections of the special fossils found in rock formations in the Connecticut Valley and answer questions about the creatures that made them and the geology that preserved them. Bring your rocks and fossils from home to stump the experts! There will be a guided walk to the old quarry to learn about the tracks and their discovery. Quarry walks will be at 10:30 for families and 12:30 for adults. Click [here](#) or call (toll-free) (800) 859-2960 for more info.

**May 4 (Saturday) – CONNECTICUT RIVER – *Birding by Canoe***, 7:00 AM – 10:00 AM, sponsored by Mass. Audubon’s Connecticut River Valley Sanctuaries. “Enjoy canoeing and birding? Why not blend the two?! Naturalist/ Ecological Manager David McLain will lead this morning canoe/birding adventure into the [Arcadia marsh](#). We will be looking for early migrants such as eastern phoebes, tree swallows, and great blue herons. We will also look for our resident bald eagles. Of course we’ll look at a few vernal wildflowers along the way, and keep our eyes peeled for muskrats, beavers, and otters. This will be an easy paddle; however, prior canoe experience is required.” Fee: \$18/members, \$25/nonmembers. Click [here](#) or call (413) 584-3009 to sign up or for more info.

**May 4 (Saturday) – CONNECTICUT RIVER – *Garlic Mustard Pull*** at the [Dinosaur Footprints Reservation](#), on the Connecticut River in Holyoke, 1:00 PM – 3:00 PM, sponsored by The Trustees of Reservations. “Even though it’s small, Dinosaur Footprints is one of the most unusual places we care for. Along with the fossilized dinosaur tracks left by [Eubrontes](#), the site also contains a rare species of plant that needs our protection. Come out for an afternoon of work as we dig in to help protect both of these unique features. Steady rain cancels”. Click [here](#) or call (413) 532-163 ext.21 to sign up or for more info.

**May 4 (Saturday) – AMETHYST BROOK (CONNECTICUT WATERSHED) – *Come Explore Nature Through Words: Nature Poetry Workshop at the Amethyst Brook Conservation Area***, Pelham Road, Amherst, MA, 1:00 PM – 3:00 PM, sponsored by the [Kestrel Land Trust](#) and hosted by Olga Botea. “Robert Frost was one of America’s greatest poets. The Robert Frost Trail runs through Amethyst Brook Conservation Area. Join us for a lovely nature walk; learn the basics of poetry and write your own poem inspired by nature.” A free and family-friendly event, suitable for ages 8 and up. (Rain date: Sunday, May 5.) **May 5 (Sunday) – NEPONSET RIVER – *Morning Bird Walk at Fowl Meadow***, 6:00 AM (!) start, sponsored by the [South Shore Bird Club](#). “We will walk a few miles on flat, possibly muddy terrain. Habitat is forested floodplain/swamp with remnant marsh. We should see many ‘first of the season’ birds on this trip. This traditional area has produced a good number and variety of migrants and summer residents, from rails & shorebirds through thrushes and warblers.” Meet at the small parking area on Brush Hill Road, close to the intersection with the Neponset Valley Parkway (see [map](#)). Click here or contact leader Vin Zollo at [vzollo1@yahoo.com](mailto:vzollo1@yahoo.com) for more info.

**May 5 (Sunday) – NEPONSET RIVER – *Birding Fowl Meadow***, 8:30 AM – 10:00 AM, sponsored by Mass. Audubon's Blue Hills Trailside Museum. “Meet with Trailside Naturalist Perry Ellis to explore what spring migrants may be found in Fowl Meadow. The level carriage path trail through Fowl Meadow travels through forest, swamp, and shrubland habitat. Many different species of birds make this a stopover point during spring migration, and some relatively rare birds make the Meadow their home. We'll explore along the path and see what birds we can find. Fee: \$10/members, \$12/nonmembers. Click [here](#) or call (617) 333-0690 to sign up or for more info.

**May 5 (Sunday) – WARE RIVER (CHICOPEE WATERSHED) – *Canoe the East Branch of the Ware River***, 10:00 AM – 1:00 PM, sponsored by [Mass. Audubon's Wachusett Meadow Wildlife Sanctuary](#). Discover this spectacular canoeing and hiking area located on the west side of Princeton. Much of the land along the river has been acquired for drinking water protection since the Ware River flows into the Quabbin Reservoir system to the west. Wildlife sightings abound in this area, and May is a wonderful time to be out on the water. If time permits, we will explore some of the walking trails along the river as well. We'll provide canoes, Life jackets and paddles. We'll meet at the Sanctuary and carpool to our destination. Fee: Adults \$12.00/members, \$18.00/nonmembers. Click [here](#) or call (978) 464-2712 to sign up or for more info.

**May 5 (Sunday) – TEN MILE RIVER – *River Cleanup in Attleboro***, 10:00 AM - 12:30 PM, sponsored by the [Ten Mile River Watershed Council](#). “We will be cleaning the woods behind the [Attleboro Elks Club](#).

Remember to wear long pants and long sleeves to protect against poison ivy. Lunch will be provided.” For more information, email [Keith Gonsalves](mailto:Keith.Gonsalves@ktggroup@aol.com) at [ktggroup@aol.com](mailto:ktggroup@aol.com).

**May 5 (Sunday) – BUZZARDS BAY WATERSHED – *Nasketucket Bay Bike Tour***, 10:00 AM - 1:00 PM, sponsored by the [Buzzards Bay Coalition](#). Tour the Nasketucket Bay watershed on this nine-mile guided bike tour hosted by the Coalition’s land protection staff. The tour will begin at the [Nasketucket Bay State Reservation parking lot on Brandt Beach Ave](#), heading along the Phoenix/Mattapoissett Bike Path to a nature overlook on Sciticut Neck Road. There, participants will take a snack break and learn about the Coalition’s effort to protect 400 acres of land around Nasketucket Bay. Then the group will bike back to the parking area. Fee: \$5/members; \$10/non-members; free for children aged 12 and under. Pre-registration is required; click [here](#) or contact Alicia Pimental, Communications & Outreach Manager, at (508) 999-6363 ext. 226 or [pimental@savebuzzardsbay.org](mailto:pimental@savebuzzardsbay.org) to sign up or for more info.

**May 6 (Monday) – QUIVETT CREEK (CAPE AND ISLANDS WATERSHED) – *Paddle Quivett Creek*** from Paines Beach, Brewster, 10:00 AM start, sponsored by the [Kayak and Walk Cape Cod Meetup Group](#). “We’ll paddle from Paines Creek Beach and hug the shore going west to the mouth of Quivett Creek. As we make our way up this wonderful creek, we’ll be surrounded by extensive marsh. Unlike Scorton Creek and Chase Garden, where the reeds and grasses are too tall to see over, the vegetation along Quivett Creek allows distant views at high tide” Click [here](#) for basic info on this group and its paddling trips and [here](#) to sign up or for more specific info on this event.

**May 7 (Tuesday) – CAPE AND ISLANDS WATERSHED – *Turtles of the Salt Marsh***, 6:30 PM - 7:30 PM in Orleans, sponsored by Mass. Audubon’s Wellfleet Bay Wildlife Sanctuary. “Something beautiful and unique lurks in the shallows of our salt marshes--the diamondback terrapin! The terrapin is the only species of turtle in the United States that makes its home in the brackish water of salt marshes and mangrove swamps. Our interactions with these secretive creatures are often limited to glimpses of their ornately speckled heads as they surface for air, or watching a female venture onto dry land to nest in early summer. They are also a threatened species in Massachusetts, which also accounts for their rarity; however, Wellfleet boasts a large population, and they can also be found in Pleasant Bay in Orleans. Since 1980, Mass Audubon’s Wellfleet Bay Wildlife Sanctuary has studied the terrapin population on the Outer Cape through a mark/recapture project, and over 3000 individual turtles have been marked! More recently, the project has expanded to protect nests to prevent predators from getting at the eggs and hatchlings, and developing ‘turtle gardens’ which encourages nesting. Volunteers are an important component of these projects.” This lecture, by Sanctuary Director Bob Prescott, will cover the natural history of diamondback terrapins, and share what we have learned through local research projects. Details on how to get involved as a volunteer will also be provided. This program is free and will be held at [Snow Library in Orleans](#). Registration not required. Click [here](#) or call (508) 349-2615 for more details on this event.

**May 7 (Tuesday) – NASHUA RIVER – *Saving the Banks: River and Stream Bank Resiliency and Infrastructure in the Face of Climate Change***, 7:00 PM – 9:00 PM at the NRWA River Resource Center, 592 Main Street (Rt. 119) in Groton, sponsored by the [Nashua River Watershed Association](#). Led by Mickey Marcus of New England Environmental, Inc., this free workshop will describe how to stabilize river and stream banks to be more resilient in the face of large storm events, which are projected to become both more frequent and intense as the century progresses. Mr. Marcus will also discuss how infrastructure can be made more resilient in the face of more frequent flooding, and how municipalities can plan for the inevitable disruptions that a changing climate will bring to riverine resources. The workshop is designed for municipal board and staff members who will need to deal with these issues when they arise. Pre-registration is required; the workshop is limited to the first forty registrants. To register, please contact Mark Archambault at (978) 448-0299 or [MarkA@NashuaRiverWatershed.org](mailto:MarkA@NashuaRiverWatershed.org).

**May 7-9 (Monday-Wednesday) – CAPE AND ISLANDS WATERSHED – *Ecological Restoration for Coastal Habitats Workshop***, co-sponsored by the [Waquoit Bay Reserve](#), the [Mass. Department of Conservation and Recreation](#) and the [Waquoit Bay Reserve Foundation](#). Led by [Dr. Andre Clewell](#), “this

dynamic workshop will go deep into the principles and practices of ecological restoration starting with an examination of why we restore impaired ecosystems and the ecological, personal, cultural and socioeconomic values that restoration fulfills. Combining classroom and hands-on learning techniques, the workshop will unpack the various steps involved in ecological restoration projects from design to implementation and evaluation. Case studies and field trips will be used to illustrate and elaborate on concepts presented. Participants will have the opportunity to share their experiences and lessons, receive technical input on planned restoration efforts, and observe/participate in an actual restoration action at the workshop site.” Fee: \$65 (includes food, materials and the [new edition of Dr. Clewell’s Ecological Restoration book](#)). **May 11 (Saturday) – IPSWICH RIVER – *Spring Birds and Song***, 8:00AM – 11:00 AM, sponsored by Mass. Audubon's Ipswich River Wildlife Sanctuary. "Male songbirds sport their brightest plumage and finest song in

the spring. Usually inconspicuous, quiet, and difficult to see, in spring their characteristic songs will often identify the bird or at least help pinpoint its location. We'll begin with a short introduction to songbirds and their vocalizations, listen to some songs we are likely to hear, and then venture outdoors to 'bird' with our ears first, then our eyes." Instructor: Carol Decker, Sanctuary Director. Fee: \$16/member, \$19/nonmember. Click [here](#) or call (978) 887-9264 to sign up or for more info.

**May 11 (Saturday) – IPSWICH RIVER – *Canoeing for Beginners***, 1:00 PM – 3:00 PM in Topsfield, sponsored by Mass. Audubon's [Ipswich River Wildlife Sanctuary](#). "Join us for the morning to learn or brush up on basic paddling strokes such as the forward and back paddle, sweep, draw, and j-stroke. Learning how to make these strokes correctly will enable you to control your canoe with far less effort. We'll practice on land and in the backwaters, and then canoe the river to enjoy the sights and sounds of a spring morning." Fee: \$15/members, \$18/non-members. Youth aged 12-17 years old are welcome but must be accompanied by an adult. We will provide canoes, paddles, and PFDs. Click [here](#) or call (978) 887-9264 to sign up or for more info.

(The bike ride will take place along existing paths on both sides of the Mystic River through Somerville and Medford, in addition to the wildly popular Park at River’s Edge along the Malden River. The ride will also feature the brand new Wellington Greenway, as well as the first Bike to the Sea segment in Everett.) Click [here](#), [here](#), [here](#) or contact Mark at (617) 965-5110 or [click here for details and to reserve a boat](#) for the race.

**May 19 (Sunday) – CHARLES RIVER – *Canoe/Kayak Trip at Nahanton Park***, 1:00 PM start, sponsored by the Newton Conservators. This is a beautiful section of the Charles River from which you can go upstream to the far reaches of Needham, Dedham and Wellesley. Interested nature lovers can bring their own canoe or kayak to use or can rent one of them at the [new canoe/kayak/water stand rental](#) that is now located at [Nahanton Park](#). The area upstream is a region of significant beauty with almost pristine conditions of local marshes and tree lines. Cutler Marsh is particularly impressive in depth, with different patterns of wildlife overlapping the background tree line and marsh views. Dress appropriately. A hat, sunscreen, snacks and drinks are recommended supplies. Thunderstorms will cancel the trip. Meet at the Nahanton Street entrance next to the river. Parking is available inside the park. Click [here](#) or contact trip leader Bill Hagar at (617) 964-2644 for more info. (Co-sponsored with the [Friends of Nahanton Park](#).)

**May 19 (Sunday) – DEERFIELD RIVER – *Lower Deerfield Paddle Trip***, 12:00 Noon – 4:00 PM, sponsored by the [Deerfield River Watershed Association](#) (DRWA). This will be an interpretive paddle down the lower reached of the Deerfield River as it snakes through its floodplain from Historic Deerfield to Greenfield. At a few planned stops, local experts will talk a little bit about the area’s natural and human history. Particular attention will be paid to how the natural landscape has influenced the creatures living here and human land use. In order to participate in the trip, you must provide all your own equipment, including lifejackets. Please contact [brian.yellen@gmail.com](mailto:brian.yellen@gmail.com) to sign up or for more info.

**May 21 (Tuesday) – HOUSATONIC RIVER – *Pittsfield Green Drinks*** at [Mad Jack’s BBQ](#), 295 North St. in Pittsfield, 5:15 PM start, sponsored by the [Berkshire Environmental Action Team](#) (BEAT). “Pittsfield Green Drinks is a very informal gathering, open to everyone with any environmental interest. The drinks aren't green, but our conversations are. At 6:30 PM, there will be a short presentation by Alison Dixon from the [Housatonic Valley Association](#) (HVA) about the #1 problem going into our lakes and rivers, and what you can do to help. Come learn how you can make a difference in your own backyard!” Click [here](#) for more info.

**May 21 (Tuesday) – WEST RIVER (BLACKSTONE WATERSHED) – *Paddle the West River*** in Uxbridge, launching promptly at 6:15 PM, sponsored by the Rhode Island Canoe and Kayak Association (RICKA)’s Blackstone Valley Paddle Club. “You’ll have the chance to see lots of wildlife as you paddle upstream through this stretch of clean, clear flatwater. The West River has excellent water quality and is one of our rivers that is clean enough to swim in the Blackstone Valley. You definitely wouldn't mind falling into this section of the river! Also, no shuttling is necessary. Suitable for all levels of experience.” Club membership is required to take part in this event; click [here](#) for more details. Click [here](#) or contact Cheryl at [stonefoxfarm@cox.net](mailto:stonefoxfarm@cox.net) or (401)647-5887 for more info. In the event of a last minute cancellation or modification to a paddle trip, please check the [Message Board](#) as well as your e-mail and the [website](#) for updates.

**May 21 (Tuesday) – ESSEX RIVER (NORTH COASTAL WATERSHED) – *Introduction to the Birds at Cogswell’s Grant***, 5:00 PM – 7:00 PM, co-sponsored by Mass. Audubon’s Joppa Flats Education Center and [Historic New England](#). The scenic grasslands, salt marshes, and woodlands of Historic New England’s [Cogswell’s Grant](#), a 165-acre coastal farm along the banks of the Essex River, are a treasure trove for birders. During mid-May, many breeding birds such as bobolinks and Baltimore orioles have already returned to its fields and forests to nest, while many others are still migrating through the area en route to their more northerly breeding grounds. Join Joppa Flats Sanctuary Director Bill Gette for a leisurely morning walk through the variety of habitats making up the Grant. During the walk, the group will discuss the many aids to field

identification, identify birds by their vocalizations, and discuss breeding behavior. Coffee and refreshments will be served, and the historic house will be open to participants for a brief tour. The member price applies to members of Mass Audubon and Historic New England. Fee: \$10/members, \$14/nonmembers. Click [here](#) or call (978) 462-9998 to sign up or for more info.

**May 22 (Wednesday) – QUIVETT CREEK (CAPE AND ISLANDS WATERSHED) – *Paddle Quivett Creek*** from Paines Beach, Brewster, 10:00 AM start, sponsored by the [Kayak and Walk Cape Cod Meetup Group](#). “We’ll paddle from Paines Creek Beach and hug the shore going west to the mouth of Quivett Creek. As we make our way up this wonderful creek, we’ll be surrounded by extensive marsh. Unlike Scorton Creek and Chase Garden, where the reeds and grasses are too tall to see over, the vegetation along Quivett Creek allows distant views at high tide” Click [here](#) for basic info on this group and its paddling trips and [here](#) to sign up or for more specific info on this event.

**May 22 (Wednesday) – SLOCUM RIVER (BUZZARDS BAY WATERSHED) – *Sunset Kayak Tour***, 6:00 PM - 8:00 PM in South Dartmouth, sponsored by the [Lloyd Center for Environmental Studies](#). Paddle the Slocum River, explore the ecosystem; tour includes basic kayak equipment & instruction. Paddlers of all abilities welcome! Wear clothing and footwear that you don’t mind getting wet, and bring a non-alcoholic beverage. Trip will be led by an [Osprey Sea Kayak Adventures](#) Certified Instructor. Fee: \$38/members, \$45/nonmembers. Limit: 10; open to ages 14 and older. Preregistration required; click [here](#) or call (508) 990-0505 to sign up or for more info.

**May 23 (Thursday) – WESTPORT RIVER (BUZZARDS BAY WATERSHED) – *Botanical field trip to the Dunes and Swales of the Cherry and Webb Conservation Area*** in Westport, 10:00 AM – 2:00 PM, sponsored by the New England Wild Flower Society (NEWFS). Located on a barrier spit at the mouth of the Westport River, this property preserves the unique plant communities characteristic of a well-established dune system. American beach grass (*Ammophila breviligulata*) stabilizes the primary dunes. Cranberry (*Vaccinium macrocarpon*) and pitcher plants (*Sarracenia purpurea*) thrive in the bogs of the interdunal swales, while sand false heather (*Hudsonia tomentosa*), beach plum (*Prunus maritima*), bayberry (*Morella carolinensis*), pitch pine (*Pinus rigida*) and scrub oak (*Quercus ilicifolia*) inhabit the drier sandplains. The walk focuses on plant identification as well as fun and interesting natural history. Bring water, lunch, and a hand lens if you have one. Be prepared for wind, biting insects, and bright sun. Instructor: Roland “Boot” Boutwell, naturalist. Fee: \$38/member, \$46/nonmember. Click [here](#) to sign up or for more info.

**May 23 (Thursday) – SOUTH COASTAL WATERSHED – *“Pine Barrens” Field training***, 9:30 AM – 12:00 Noon in Carver, sponsored by the [Southeastern Massachusetts Pine Barrens Alliance](#). “The globally rare ‘Pine Barrens’ eco-region of southeastern Massachusetts supports a number of rare animal and plant species, some of which occur only here. This region encompasses the Cape and Islands and extends inland to Mattapoisett, Middleboro & Duxbury. At sea, the ecosystem includes Mass. Bay, Cape Cod Bay, Buzzards Bay and Nantucket Sound. Volunteer citizen scientists are urgently needed to conduct field assessments to help prioritize conservation and restoration efforts. Assessing even one parcel will help. Free field training will be provided by Ecologist Pat Swain of the Massachusetts Natural Heritage and Endangered Species Program (NHESP).” This training session will meet at the Myles Standish State Forest Headquarters Parking Lot, 194 Cranberry Road, in Carver (see [map](#); headquarters phone: (508) 866.2580). Click [here](#) or write to [info@pinebarrensalliance.org](mailto:info@pinebarrensalliance.org) to sign up or for more info.

**May 24 (Friday) – PARKER RIVER – *“Local Gems of Essex County” birding expedition***, 7:00 AM - 3:00 PM, sponsored by Mass. Audubon’s Ipswich River Wildlife Sanctuary. “Essex County has a good number of lesser known birding locations, and these ‘gems’ will be our focus today. We’ll visit Crane Neck Wildlife Management Area in Groveland, Pikes Bridge Road in West Newbury, Scotland Road in Newburyport, and Martin Burns Wildlife Management Area in Newbury. Each location provides a unique habitat for a great diversity of species. In addition to field identification, we’ll also focus on the diverse songs of wood-warblers, sparrows, and more. It’s likely we’ll encounter more than 75 species of birds today!” Fee: Adults \$36/members, \$43/nonmembers. Click [here](#) or call (978) 887-9264 to sign up or for more info.

**May 24 (Friday) – CAPE AND ISLANDS WATERSHED – *Moonrise Kayak Paddle***, 7:30 PM – 9:30 PM, sponsored by Mass. Audubon's Felix Neck Wildlife Sanctuary, on Martha's Vineyard. "See Sengekontacket Pond in a new light, moonlight, as we celebrate the different full moons of summer. With a guide, you will kayak on the pond as the sun sets and the moon rises. Kayaks, paddles and lifejackets are all included. Must be age 11 or older, accompanied by an adult, to paddle. Fee: \$70/members, \$90/nonmembers. Fee is for 2 people in a tandem boat. Single boats available - call to reserve. Click [here](#) or call (508) 627-4850 to sign up or for more info.

## **May 25– May 31**

**May 29 (Wednesday) – CAPE AND ISLANDS WATERSHED – *Little paddle, followed by a long(er) walk*** in the [Bell's Neck Conservation Lands](#) in Harwich, sponsored by the [Kayak and Walk Cape Cod MeetUp Group](#). "We'll do a mini-paddle on the Reservoir...lots of submerged debris in the water, so plastic boats are best. Then, we'll walk the dirt roads that run between the fresh water of the West Reservoir, the brackish water of the East Reservoir. We'll cross two bridges that offer expansive views of salt marshes, and see both reservoirs from the road and the trails. The walk should also last no more than one hour. Bell's Neck is a popular birding area, and we can probably find black crowned night herons and other birds". Dogs are welcome on this trip. Click [here](#) for basic info on this group and its paddling trips, and [here](#) to sign up or for more specific info on this event, or contact [Joyce](#) for more info.

**May 30 (Thursday) – BOSTON HARBOR WATERSHED – *Boston Harbor boat tour***, 1:00 PM – 4:00 PM, sponsored by [UMass/Boston's Green Harbors Project](#). "The tour will include a presentation and discussion with [Anamarija Frankic](#), Director Green Harbors Project and Professor UMass Boston, about the Green Harbors Project and [Biomimicry LivingLabs](#). The boat will pass Spectacle Island, one of 34 Boston Harbor Islands, to learn about the island's self-sustainability, and explore the area where the Charles, Neponset and Mystic rivers meet. The tour will take us near Deer Island, with the second largest waste water treatment plant in the world, that has improved the conditions of the once dirtiest harbor in the US. But there is more work to be done, one of the key questions in the Green Harbors Project is what would nature do to improve conditions in urban harbors. The tour will end on the shore of Savin Hill Cove, the proposed site for the first Biomimicry LivingLab, with a discussion about this unique opportunity to showcase solutions." Fee: \$25. Space is limited. Registration will be based on the earliest received. Location, and payment details will be provided with confirmation. Write to [admin@cdf.org](mailto:admin@cdf.org) (with "BNE Events" in the subject line) to sign up or for more info.

**May 30 (Thursday) – SLOCUM RIVER (BUZZARDS BAY WATERSHED) – *Salt Marsh Biology***, 3:30 PM – 5:00 PM in South Dartmouth, sponsored by the [Lloyd Center for Environmental Studies](#). "Put on your boots and join us at the Lloyd Center for a walk through one of the many salt marshes on our property. During this program, have a chance to explore the marsh, catalog the species that live there, and learn about the importance of the Salt Marsh Habitat. Be sure to wear clothes and shoes that you don't mind getting dirty." Leader: Jen Wimmer, Lloyd Center Outreach Specialist. Fee: \$4/members, \$5/non-members. Limit: 10. Pre-registration required; click [here](#) or call the Center's Event line at (508) 558-2918 to sign up. If you have specific questions regarding the program, contact Jen at (508) 990-0505 ext. 14 or [jen@lloydcenter.org](mailto:jen@lloydcenter.org).

Its location on the Essex Bay estuary makes the Cox Reservation a rewarding place for natural history observation. Shorebirds feed on the mud flats at Clamhouse Landing, and herons, egrets and kingfishers take advantage of the abundant food source of the salt marsh. The old hayfields surrounding the house and barns are home to bobolinks, meadowlarks, and also support the activity of bluebird boxes and osprey platforms.” Reservations required. Fee: Essex Heritage & Greenbelt Members \$35; Non-Members \$45. Click [here](#) or call Essex Heritage at (978) 740-0444 to sign up or for more info.

**June 1 (Saturday) – IPSWICH RIVER – *Birds and Brunch Along the Ipswich River***, 8:00 AM – 11:00 AM, sponsored by Mass. Audubon’s Ipswich River Wildlife Sanctuary. “Join us for a morning canoe trip along the Ipswich River to look and listen for wetland breeding birds. There are so many wonderful birds singing this time of year, and we’re likely to encounter yellow-throated and warbling vireos, great-crowned and willow flycatchers, Baltimore orioles, yellow warblers, and many more. We’ll make our way upstream to Perkins Island and enjoy a yummy quiche and biscuit brunch with coffee and juice.” Trip leaders are the Sanctuary’s Angela Walsh and Scott Santino. Fee: \$24/members \$29/nonmembers. Basic canoeing instruction will be provided, along with all equipment. Click [here](#) or call (978) 887-9264 to sign up or for more info.

**June 1 (Saturday) – IPSWICH RIVER – *Paddle the Ipswich River*** in Topsfield, sponsored by the [Berkshire Chapter of the Appalachian Mountain Club](#). Paddle eight miles along the Ipswich River at [Mass Audubon's Ipswich River Wildlife Sanctuary](#). Canoe rentals are available for Mass Audubon members. **June 1-2 (Saturday-Sunday) – CAPE AND ISLANDS WATERSHED – “*Cape Cod in Bloom*”**, a [Cape Cod Field School](#) two-day course, sponsored by [Mass. Audubon’s Wellfleet Bay Wildlife Sanctuary](#). “Flowering shrubs and wildflowers grace the dunes, fields, woods, and wetlands in late spring. Even the beaches are abloom! This two-day course provides a good introduction to the unique plants and shrubs that inhabit coastal Cape Cod—even those not flowering! Our focus will also include the larger landscape picture in order to understand plant ecology. We will launch right into a variety of field walks that will provide more intimate experiences with each coastal habitat and the plants found within them. We will stroll the shoreline of local beaches to identify and examine the adaptations of halophytic (salt-adapted) plants; explore the salt marsh to learn about the importance of these natural communities; hike through the pine woods that shelter woodland flowers and shrubs; discover the interactions between wildlife and plants; and learn about the dynamic nature of dune communities and how plants thrive there. Throughout our focus will include the identification, adaptations, ecological role, and natural history of these coastal plants.” The course is taught by botanist/naturalist Dennis Murley. Click [here](#) or call (508) 349-2615 to sign up or for more info.

**June 2 (Sunday) – SUDBURY-ASSABET-CONCORD WATERSHED – *Guided walk at Gowing’s Swamp*** in Concord, 1:30PM – 3:30 PM, sponsored by the Sudbury Valley Trustees. “[Gowing’s Swamp](#) is an enchanting, level bog complex set within a dramatically glaciated landscape, including a deep kettlehole bog in the southern end. This ancient depression supports such locally rare plants as Black spruce, bog rosemary, pitcher plants, bog laurel, and associated lichen and fungi species. Join this spring walk (led by educator, naturalist and photographer Cherrie Corey) along the verdant shorelines, fields, and ridges that encircle Gowing’s Swamp, enjoy its many beautiful vistas, seasonal flowers and fragrances, learn more about the bog’s ecology, and discover the rich history of this very special Concord landscape. We’ll meet in the Ripley Playscape gathering circle behind the Ripley School at the end of Meriam Road in Concord, MA.” Fee: free (members), \$10 (nonmembers). Click [here](#) for more info and [here](#) to register.

**June 2 (Sunday) – CHARLES RIVER – *Charles River’s Edge walk*** in Cambridge, Charlestown and Boston, 10:00 AM start, sponsored by the [Boston Chapter of the Appalachian Mountain Club](#). **June 3 (Monday) – SPICKET RIVER (MERRIMACK WATERSHED) – *Spicket River Greenway Dedication Ceremony*** in Lawrence, 10:00 AM, sponsored by [Groundwork Lawrence](#). “Please join Groundwork Lawrence, the City of Lawrence, and our partners to celebrate the official opening of the [Spicket River Greenway](#), a \$10 million, 12+ year effort of planning and building a spectacular network of green spaces and walking paths along Lawrence’s 2.5 mile stretch of the Spicket River. The design and construction of the greenway was funded with a \$2.6 million grant from the MA Gateway City Parks Program. The Spicket River Greenway is a truly transformative project that has created numerous benefits to the residents, visitors and business in the city, such as: river restoration; revitalization of neighborhoods; linkages between neighborhoods, schools and parks; increased recreational opportunities; an improved environment for economic development, jobs and housing; and improved access to the commuter rail station.” The event takes place at [Immigrant Place](#)

[Park](#), Chestnut Street, in Lawrence. Contact Amanda Cochrane at (978) 974-0770 ext. 7007 or click [here](#) to RSVP, or click [here](#) for more info.

**June 4 (Tuesday) – STATEWIDE – *Project Design and Evaluation for Restoration*** workshop, 9:00 AM – 5:00 PM, sponsored by (and taking place at) the [Waquoit Bay National Estuarine Research Reserve](#), 149 Waquoit Hwy, in Falmouth. “Have you ever implemented a restoration project that didn’t quite meet its intended outcomes? (Be honest!) This interactive, full-day workshop offers restoration practitioners valuable knowledge, skills, and tools to enhance your ability to design targeted projects that have a greater chance of achieving success. The workshop is not intended to present basic components of restoration planning, but rather a planning framework, using the logic model, that will increase project success. The approach is applicable to any habitat type.” The workshop is geared toward anyone involved in habitat restoration activities, particularly those with responsibility for designing, coordinating, monitoring and evaluating projects. **June 9 (Sunday) – ALLOWANCE BROOK (SUDBURY-ASSABET-CONCORD WATERSHED) – Birding trip to Great Blue Heron Rookery** in Sudbury, 8:00 AM – 10:30 AM, sponsored by Mass. Audubon’s Drumlin Farm Wildlife Sanctuary. The Lyons-Cutler Reservation, located along Allowance Brook in Sudbury, contains wetlands and beautiful red maple, mixed oak and white pine uplands. The upland forest descends gently to a swamp with a Great Blue Heron rookery where we can get very close views of the domestic life of the herons and hear their growling offspring. Around the swamp we could also see Eastern Kingbird, Eastern Phoebe, Tree and Rough-winged Swallow, Red-Winged Blackbird, Kingfisher, Swamp Sparrow, Northern Flicker, and Eastern Bluebird. The hike through the woods could produce several species of warblers, Wood Thrush, Brown Creeper, Baltimore Oriole, Brown Thrasher, Blue-Headed Vireo, and migrating flycatchers of various species. Fee: \$18/members, \$22/non-members. Click [here](#) or call (781) 259-2200 to sign up or for more info.

**June 9 (Sunday) – STONY BROOK (CHARLES WATERSHED) – Herons at the Nest** Walk, 9:00 AM – 11:30 AM in Norfolk, sponsored by Mass. Audubon’s Stony Brook Wildlife Sanctuary. “Join us for an easy walk to a magnificent rookery which serves as home to more than 30 pairs of great blue herons near Stony Brook. Herons (and occasionally other birds) raise their young in giant stick nests built high up in standing dead trees in

the middle of wetlands. Heron rookeries are places of great activity. We will have ample opportunities to watch these magnificent creatures gently gliding to and from their nests in the process of caring for their young. Wetlands are generally very busy places in the summer, so we will spend time searching for the many other species (such as Wood Ducks and Hooded Mergansers) that call these habitats home. We will carpool from Stony Brook a short distance to the rookery.” Bring cameras and binoculars. Fee: \$8/members, \$10/nonmembers. Click [here](#) or call (508) 528-3140 to sign up or for more info.

**June 20 – 23 (Thursday – Sunday) – CAPE AND ISLAND WATERSHED – “Turtles of the Outer Cape”**, a [Cape Cod Field School](#) four-day course, sponsored by [Mass. Audubon’s Wellfleet Bay Wildlife Sanctuary](#). “This course is designed to offer unique opportunities to learn more the turtles of Cape Cod with an emphasis on two species--the eastern box turtle, a species of special concern, and the threatened diamondback terrapin--as well as provide a ‘hands-on’ introduction to wildlife research methods. For over 30 years we have been studying the populations of box turtles and terrapins in Wellfleet Bay. Through nesting surveys, mark and recapture studies, radio telemetry, and habitat and prey analysis, we have built a solid foundation of data to begin understanding the life histories of these animals and the human impacts affecting them. Over the course of the four action-packed days, you will become actively involved in adding to this collection of data. We will teach you how to use telemetry equipment to find radio-tagged box turtles on our property. Field walks along the salt marshes and in the uplands are scheduled to search for nesting female diamondback terrapins and record their activities. Using dip nets and canoes, we catch terrapins in the salt marsh creeks. Once caught, they will be weighed, measured, marked and then released. Be prepared to get wet and muddy!” Instructors: Sanctuary Director Bob Prescott, Wheaton College Professor of Biology and author Barbara Brennessel, “Turtle Guy” Don Lewis and research scientist and educator Sue Wieber Nourse. Fee: \$255.00/members, \$275.00/nonmembers. Click [here](#) or call (508) 349-2615 to sign up or for more info.

**June 20 (Thursday) – NASHUA RIVER – Screening of “Marion Stoddart: The Work of 1000”**, 6:00 PM – 7:30 PM, at the [Ayer Public Library](#), 26 East Main Street in Ayer. A 30-minute documentary film, [Marion Stoddart: The Work of 1000](#) is an exhilarating success story of how one woman mobilized clean-up of one of America's most polluted rivers-for herself, for her community, and for future generation-and became a citizen leader honored by the United Nations. It's a gripping account of an ordinary person who realized her power to make a difference. The screening will be followed by a lively personal discussion with the film's central figure, world-renowned local citizen leader, Marion Stoddart. Marion will speak about what local citizens can do to help complete the vision of the Nashua River Watershed Association's [Greenway Program](#), which aims to permanently protect a corridor along both banks of the Nashua River, its main tributaries, and its smaller streams. The event is free and open to the public; click [here](#) for more info.

**June 21 (Friday) – BUZZARDS BAY WATERSHED – *Summer Solstice Celebration*** at [Copicut Woods](#), 7:00 PM start, sponsored by [The Trustees of Reservations](#). “Celebrate the arrival of summer and the quiet beauty of Copicut Woods at twilight with a candlelit walk down Miller Lane. We'll begin by making candle lanterns that will light our way down the trail at dusk. The call of whippoorwill often marks the arrival of summer on this magical night that you'll never forget.” Click [here](#) for more info.

**June 21 (Friday) – BOSTON HARBOR WATERSHED – *Summer Solstice Picnic*** at [World’s End Reservation](#) in Hingham, 6:00 PM – 8:30 PM, sponsored by [The Trustees of Reservations](#). “Bring your family and a picnic for our annual celebration of summer. Enjoy live music and the chance to catch the most beautiful sunset over the Boston skyline”. On the way to the picnic grounds, be sure to check out the [Damde Meadows Salt Marsh Restoration Project](#), completed several years ago by the Trustees in partnership with the Mass. Division of Ecological Restoration. Fee: \$15/car (members), \$20/car (nonmembers). Click [here](#) for more info.

**June 21 (Friday) – CHARLES RIVER – *Evening Canoe on the Charles***, 6:00 PM – 9:00 PM, sponsored by Mass. Audubon’s [Broadmoor Wildlife Sanctuary](#). Enjoy a paddle down one of the most beautiful stretches of the Charles River, past Medfield State Hospital and up into the Medfield marshes. Watch as the sun sets over the river and listen for the evening sounds of birds, frogs and other creatures. Canoes, paddles, lifejackets, a basic paddling overview & guides are all provided. Fee: Adults \$33/members, \$39/non-members. Click [here](#) or call (508) 655-2296 to sign up or for more info.

**June 21 (Friday) – CONNECTICUT RIVER – *Summer Solstice Paddle***, 5:30 PM – 8 PM at Barton’s Cove in Gill, sponsored by the [Connecticut River Watershed Council](#) (CRWC). “This 2-hour solstice paddle around Barton’s Cove will take us to one of the most riveting spots on the Connecticut River and provide you a glimpse of a longer 10-mile round-trip paddle to the French King Bridge. Barton’s Cove is famous for its geological, archeological, and historic features, as well as its birding and fishing. We'll see some of those features and enjoy one of the beautiful spots on the river. Turners Falls is also an important part of our hydroelectric relicensing efforts over the next few years, and we'll find out what's so important about relicensing at this site.” For more information about the paddle or [other CRWC events](#), fees, rain date, or to sign up for this trip, contact the CRWC at (413) 772-2020.

**June 21 (Friday) – CONNECTICUT RIVER – *Summer Solstice Sunset– Moonrise Kayak***, 6:30 PM – 9:00 PM, sponsored by the [Northfield Mountain Recreation & Environmental Center](#). At the summer solstice, poet Mary Oliver asks, “... what is it you plan to do with your one wild and precious life?” Perhaps we can begin by celebrating the birth of summer on a paddle through the sunset and moon-rise? The peak of day length and the suns energy also has profound impacts on the plants and animals that live year-round in the Cove. During this evening paddle, we'll share poems about the turning of the seasons and observe how plants and animals of the Cove may view the day. Two nights before the Full Strawberry Moon, we also hope to paddle in both sunlight and moonlight as we immerse our-selves in the longest day of the year. This program is appropriate for both beginning and experienced paddlers. Fee: FREE with own kayak, \$25/boat with kayak rental (tandem kayaks available). Click [here](#) or call (toll-free) (800) 859-2960 to sign up or for more info.

**June 25-26 (Tuesday-Wednesday) – CAPE AND ISLANDS WATERSHED – A Hands-On Wetland Restoration Workshop for Professionals**, hosted by (and taking place at) [Mass Audubon's Long Pasture Wildlife Sanctuary](#) in Barnstable. "Isolated wetlands provide vital habitat to many species of amphibians, reptiles, birds, and mammals. Unfortunately, a majority of these ecosystems have been lost or degraded due to draining and filling throughout New England. These landscape modifications are now affecting recovery efforts for endangered species, reducing water quality, increasing flooding, and reducing ground water supplies. Fortunately, it's now possible to restore these altered and degraded wetlands, re-establishing the hydro-periods, aquatic vegetation, and animal life that once existed. This hands-on workshop is designed for individuals interested in learning how to use practical, low cost techniques for restoring naturally appearing and functioning wetlands. Participants will see how wetland projects can be planned in land trust properties and other private conserved lands, public land, and even on school grounds to benefit plants, animals, and people. This workshop is intended for biologists, land managers, foresters, hydrologists, engineers, technicians, educators, and other non-profit and environmental organization professionals. Fee: \$175, which includes lunches on both days, hand-out materials, and a signed copy of the book [Wetland Restoration and Construction - A Technical Guide](#) by Thomas Biebighauser. Click [here](#) or contact Ian Ives at (508) 362-7475 ext. 9350 or [iives@massaudubon.org](mailto:iives@massaudubon.org) to sign up or for more info.

While pre-registration is not required for [this activity](#), you may want to contact the trip leader [Mike Tuohey, [breadcrumbs60@gmail.com](mailto:breadcrumbs60@gmail.com)] with any questions.

**June 29 (Saturday) – NORTH COASTAL WATERSHED – *Wild Edibles of Eastern Point***, 10:00 AM – 12:00 Noon in Gloucester, sponsored by Mass. Audubon's Ipswich River Wildlife Sanctuary. The seashore of New England provides a bounty for the intrepid forager. In this introductory program, learn to identify some of the common wild edibles that can be found along the shore and in the woods of [Mass Audubon's Eastern Point Wildlife Sanctuary](#). We will also discuss the ethics of collecting wild edibles and how to prepare what we find. While we will not be able to collect any edibles from this site, almost all of the species we will find can be found at similar sites throughout eastern Massachusetts. Instructor: Andrew Prazar, Sanctuary Education Coordinator. Fee: \$10.00/members, \$12.00/nonmembers. Registration is required; click here or call (978) 887-9264 to sign up or for more info.

**June 29 (Saturday) – SWIFT RIVER (CHICOPEE WATERSHED) – *Paddle the Swift River in Ware and Belchertown***, sponsored by the [Berkshire Chapter of the Appalachian Mountain Club](#). Enjoy a beautiful stretch of this cold river emanating from the Quabbin Reservoir. Experienced paddlers only. Register by Thursday before at 9 PM. Pre-registration is required for this trip; click [here](#) or contact the trip leader [Elbert Bowler, (413) 532-4464, [treble13@comcast.net](mailto:treble13@comcast.net)] to sign up or for more info.

**June 29 (Saturday) – CONNECTICUT WATERSHED – *Nasami Farm Perched Swamp Tree Exploration***, 10:00 AM – 2:00 PM in Whately, sponsored by the [Pioneer Valley Institute](#). [Nasami Farm](#), owned by the [New England Wild Flower Society](#), is home to a unique habitat, a Black Gum/Pin Oak/Swamp White Oak ‘perched’ swamp. This is a swamp not directly connected to the water table, but perched above it on layers that prevent draining usually associated with old glacial lake beds. The Great Swamp, of which this property is a part, is one of the largest and best examples of a perched swamp left in Massachusetts. We will be looking mostly at the trees and their bark, but also checking out any wildflowers we might see. The trail is level and the distance covered about two to three miles at an easy pace. This is a great walk for kids and their parents. Fee: \$5 (free for PVI members and kids under 12). Click [here](#), [here](#) or contact trip leader, naturalist Nancy Goodman, at [wildeyes@rcn.com](mailto:wildeyes@rcn.com) for more info.

**June 29 (Saturday) – DEERFIELD RIVER – *Charlemont Downriver Canoe and Kayak Race***, sponsored by the [New England Canoe and Kayak Racing Association](#) (NECKRA). A six-mile race on Class I and II water. Registration starts at 11:00 AM; race starts at 1:45 PM. Awards at the Charlemont Inn; trophies to the top three finishers in each class. Click [here](#) or contact race organizer Ray LePage at [scubanubaray@msn.com](mailto:scubanubaray@msn.com) for more info.

**June 30 (Sunday) – NORTH RIVER (SOUTH COASTAL WATERSHED) *Annual North River Paddle***, sponsored by the [Rhode Island Canoe and Kayak Association](#) (RICKA). Arrive at the put-in (see [map](#)) at 8:00 AM in order to allow for sufficient time to unload boats and run the shuttle to the takeout (see [map](#)). Launch is at 9:00 AM sharp to take advantage of the outgoing tide. The route is 11.6 miles and is an easy 4 hours, unless there are significant winds from the Northeast. We will stop at the approximate halfway point in a comfortable pine grove to consume whatever provisions you bring. Bring water - No restrooms at launch site, portapotty at take out. Click [here](#) for more info on RICKA-sponsored flatwater trips; and click [here](#) or contact trip leader Ron Cichowski [(508)868-3471, [n3303j@erols.com](mailto:n3303j@erols.com)] for more info on this particular trip.
